Taste of Rim Country Extravaganza

Saturday, March 6 is the annual Taste of Rim Country Extravaganza held in the library. It is a not to be missed event. During the evening, one may sample a variety of wines and indulge in delicious appetizers and desserts presented by area chefs. The evening will include a silent auction of donated items, among which are a \$1000 U.S. Airways Gift Card, Verde Canyon Railroad tickets, several artworks from the Payson Art League, and a 50/50 cash raffle. All proceeds will benefit the library's General Fund, which supports programs and services not included in the regular budget. Tickets are \$30 and may be purchased at the library. Space is limited so hurry to get your tickets while they are still available.

Notes from Karen

Nan Pyle Distinguished Service Award

At February's Library Friends of Payson General Meeting Pete Rothenbach received the Nan Pyle Distinguished Service Award. This award is given for outstanding service to the library over an extended period of time.

Pete certainly deserves this honor. He has worked tirelessly to establish Internet Sales as a going concern. One can often see Pete hard at work in the Library Friends office, where he determines the value of books, advertises them for sale with various online book vendors, and prepares purchased items for shipping.

Originally, Pete managed Internet Sales alone. However, as sales grew he recruited more volunteers, whom he has trained to perform a variety of tasks involved with this process. Certainly, the entire Internet Sales team provides an invaluable service to the library. During the first half of the fiscal year, they brought \$2214 into library coffers.

Pete Rothenbach is the epitome of everything a Nan Pyle Distinguished Service Award recipient should represent. Congratulations, Pete, on this is a richly deserved honor.

Bookstore Sales For January

Bookstore sales during January were an impressive \$1288.52. This represents quite a feat since the library was closed for several snow days. Thank you, volunteers, for your dedication and hard work.

Pricing Videos, CD's and DVD's

Please remember to indicate the date as well as price when labeling videos, CD's, and DVD's with the round, orange stickers. The date is essential for weeding purposes.

Internet Sales

Internet sales during January totaled \$300. During January books 18 books were shipped out by the Internet Sales team. Many of these volumes were shipped within the United States, however, four were shipped to Germany, Canada, Austria, and Belgium.

Recently there has been a demand for fairly current, college level text books. Be on the lookout for these when sorting through donations. When in doubt, take a book to Internet Sales for an assessment. Better safe than sorry.

Internet Sales has added a new member, Arlene Garrels. She will be assisting with online entries.

March Features

Our library director, Terri Morris, has been culling her vintage cookbook collection and donating most of her holdings to Internet Sales and the Bookstore. Therefore, we will feature these volumes during March. They have all been assessed by the Internet Sales team and prices are on a sticky inside the front cover of each book. Be sure to mention these unique offerings to our customers.
